DESIGN TEMPLATE

GUIDELINES/TIPS

- We can PMS color match! Please include PMS numbers so we can convey your brand perfectly.
- We recommend bold designs. On Logos: intricate details/designs can become pixelated or unknittable if too tiny.
- Unable to knit gradients or shadows, designs must be solid/spot colors
- Heel and Toe sections must be solid colors but can be two different colors
- When finished please save as a vector pdf, eps or ai file.
- Email questions or concerns along with finished designs for review to our Creative Team Director at creativeteam@crazycustomsockscompany.com
- Designs are not finalized until approved by manufacturer
